* New exhibitors

Some of the not-to-be missed rendezvous....

LUXE PACK SHANGHAI 2018 offers a variety of activities, special areas & educational programs, providing different ways for visitors, to “Experience the future of luxury packaging”, 2018 common thread.

For example, the round table scheduled on April 12th at 9.30am and entitled: “The future of luxury packaging: An inspiring dialogue between emerging consumers and innovative exhibitors” promises to be a highly interactive session with sensible creative ideas for the future...

Or else, on the new materials side, LUXE PACK SHANGHAI is proposing 2 major appointments: one is the round table, giving voice to many brands representatives and how they integrate new materials in their packaging; the second is an interactive workshop on how to design packaging, integrating material experiences.

Among so many other debates and inspiring time and areas....

The full and intense programme of conferences and events is already on line.

To have a complete view on how LUXE PACK SHANGHAI will enrich luxury brands decision makers’ visit next April 11 and 12th, they can now visit LUXE PACK SHANGHAI website and get their entrance passes!
